Thursday, August 20, 2026

Attendees:

Maribeth Gosz
Tom Hintz
Jeanine Kitzerow
Dianne Ostrowski
Pat Gruenke

Website:

- Updates needed in the following areas: Board Members, committee members, directory and meeting minutes

Healthy Lake:

- Email Eddie Heath to see if he has any preliminary results from the plant intercept survey conducted at the beginning of August that can be shared at our fall meeting.
- In addition, email Eddie for approximate cost of future treatments based on the density of EWM and if anything can be done with our increasing lilly pad population.
- Board members intend to attend **Wisconsin Lakes and Rivers Convention** held in April 14-16, 2027 per our Lake Management Plan.

Shoreland Restoration:

- Tom continues to work on removing Purple Loosestrife from our shoreline and neighboring areas. He has been researching the use of weevils to help control this invasive plant, more updates to follow.

Communication:

- Maribeth will generate an email to be sent to association members regarding the next meeting and potluck social.

Fall meeting:

- Agenda was created

Miscellaneous:

- Brainstorming of ideas to create more social events for association members.
